- 34 Engineering Services
- 35 Other Services
- 36 Public Administration
- 37 Education

Scopes are broad classifications which may include business activities for which a certification body's competence has not been demonstrated. The certification body is expected to make this clear to its own personnel and to potential customers, and to accept applications for certification only for those activities for which the certification body has the competence.

Countries in which the certification body has issued ANAB accredited certificates

Mexico

United States
